## Welcome from Dr. DeNeen

Thank you for your interest in the Orange Park Medical Center Cardiology Fellowship Program. Our 3-year fellowship began in 2018 offering didactics and clinical rotations with 13 board-certified cardiologists at 3 locations in our community: Orange Park Medical Center, FCCI campuses in Fleming Island and Jacksonville and Mayo Clinic Jacksonville. We offer the following rotation opportunities:

- Echocardiology
- Nuclear Medicine
- Cardiac Catheterization Lab
- Critical Care Unit
- Consult Service
- Electrophysiology
- Vascular Lab
- Advanced Nuclear Imaging (Mayo Clinic)
- Cardiac Heart Failure/Transplant (Mayo Clinic)
- Continuity Clinic

**Andrea DeNeen, MD**

Program Director

## Our Faculty

**Andrea DeNeen, MD**

Program Director

Dr. DeNeen received her Doctorate of Medicine from UTHSCSA Medical School, San Antonio, TX and completed Cardiology Fellowship at University of Kentucky.

**Youssef Al-Saghir, MD**

Division Chief

Dr. Al-Saghir is a graduate of the Ross University School of Medicine. He completed Cardiovascular Disease and Interventional Cardiology Fellowships at the University of Utah Health Sciences Center.

### **Ibrahim Fahdi, MD**

Core Faculty

Dr. Fahdi received his Doctorate of Medicine from Aleppo University of Medicine in Aleppo, Syria. He performed his postgraduate training at the University of Arkansas for Medical Sciences in Little Rock, Arkansas, where he completed a fellowship in Cardiovascular Disease

### **Firas El-Sabbagh, MD**

Core Faculty

Dr. El Sabbagh attended medical school at the American University of Beirut. He then completed his internal medicine residency at Cleveland Clinic and his cardiology fellowship at University of Missouri. He went on to finish his advanced fellowship in cardiac electrophysiology at University Hospitals Case Western Medical Center.

### **Ahmad Younes, MD**

Core Faculty

Dr. Younes earned his medical degree from the American University of Beirut, then completed training at University Hospitals Cleveland Medical Center/Case Western Reserve University. This included Internal Medicine Residency, Cardiovascular Medicine and Interventional Cardiology Fellowships as well as an advanced Fellowship in Endovascular and Structural Heart Interventions.

## Current Fellows

**Dr. Jomel Jacinto**  
Cardiology Fellow  
PGY-4

Cardiology Fellow  
PGY-4

**Dr. Israa Al-Gburi**  
Cardiology Fellow  
PGY-5

**Dr. Amid Bitar**  
Cardiology Fellow  
PGY-5

**Dr. Hans Koop**  
Cardiology Fellow  
PGY-6

**Dr. Thuy Pham**  
Cardiology Chief Fellow  
PGY-6

# About the Program

## Benefits

The hospital provides a comprehensive list of personal benefit package options. The most current plan, enrollment, and renewal information may be found on the hospital human resources benefit site. Benefits include, but are not limited to, the following:

- Medical benefits, dental and vision
- Short-term disability
- Long-term disability
- Life insurance
- Flexible spending accounts
- CorePlus voluntary benefits
- HCA 401(k)
- Employee Assistance Program (EAP)
- Employee Stock Purchase Plan
- The hospital will provide worker's compensation insurance, consistent with the hospital's benefits program.
- Professional memberships
- Conference and travel expense
- Cell phone
- Laptop/iPad
- Other board prep and educational expense

## Vacation, Sick or Holiday

Each resident and fellow receives three weeks annual paid leave for vacation, sick, holiday or other time away from work. Vacation requests must occur prior to the beginning of each academic year. The three-week annual leave does not carry over to the next academic year and residents and fellows will not be paid out for time unused.

# About Orange Park Medical Center

At Orange Park Medical Center, we are committed to quality care and a heightened focus on extraordinary service. Founded in 1974, Orange Park Medical Center has grown from a small community hospital to a top healthcare provider in northeast Florida.

We are a full-service, acute-care hospital with 365 inpatient beds located in the heart of Orange Park, providing medical care to Clay County and surrounding communities. The hospital has 218 private rooms. There are nine labor, delivery and recovery room suites for new mothers and a seven-bed, Level-2 neonatal intensive care unit (NICU) for premature babies and those born with special needs. There is also a 24-bed psychiatric unit, 20-bed inpatient rehabilitation unit and 20 intensive care unit (ICU) beds.

## The Leader in Quality Care

### **Award-winning healthcare right here in Clay County**

Orange Park Medical Center follows evidence-based care processes and has worked hard to earn quality of care distinctions with many rankings superior to other hospitals in Northeast Florida and the southeast U.S. As a leader in quality care we strive to provide better outcomes for our patients and provide enhanced programs, services and offerings.

## Our Mission

Above all else, we are committed to the care and improvement of human life.

# About HCA Healthcare GME

HCA Healthcare is a comprehensive healthcare network with over 275,000 colleagues across more than 2,000 care facilities all committed to creating a positive impact every day. We continually invest in our colleagues and facilities to better serve our patients and local communities. The Graduate Medical Education (GME) programs seek to inspire tomorrow's physicians to care for and improve human life by focusing on patient-centered approaches to practicing the latest evidence-based medicine.

**To learn more about the benefits and expectations of training with an HCA Healthcare program, view our [Resident and Fellow Manual](#).**

Our residency and fellowship programs are in **59**  
hospitals located in **16** states

- ⊛ Residency or Fellowship Program
- HCA Healthcare Hospital

## Size

HCA Healthcare Graduate Medical Education is the largest sponsor of residency and fellowship programs across the nation.

**4,637**  
residents

**289**  
fellows

**218**  
specialty programs (residencies)

**79**  
sub-specialty programs  
(fellowships)

## Scholarly Activity

HCA Healthcare Graduate Medical Education provides a critical link between vigorous scholarly activity and real-world patient care from a sophisticated data repository of more than 32 million patient encounters each year.

**2,500+** HCA Healthcare GME scholarly activities in 2020-21.

## Clinical Training

Each year approximately five percent of all U.S. hospital services happen at an HCA Healthcare facility, including:

**32+ million** patient encounters  
**7.4 million** emergency room visits  
**215,000+** babies delivered

HCA Healthcare Graduate Medical Education is a leader in clinical experience.

- Nationally known physician expertise across the country
- Investments in facilities allowing the advancement of patient care
- High emphasis on simulation results and low patient incidents
- Higher patient touch than academic facilities
- Annual collaborative mass casualty event team training

# A commitment to scholarly activity

Based on more than 32 million patient encounters each year, our scholarly activity bridges the gap between compelling evidence and exceptional patient care.

Our experiential learning is rooted in evidence-based medicine that leads to innovative, **real-world patient health solutions**.

Merging the rigor of **ACGME** accreditation with high patient touch, our residents and fellows deliver evidence-based care that demonstrates our mission to care for and improve human life.

We offer **National Grand Rounds** that leverage accomplished clinical expertise from across HCA Healthcare, bringing the nation's leading medical experts to our residency and fellowship programs.

#### **Notable Publications**

- *JAMA Internal Medicine*
- *Annals of Surgical Oncology*
- *CHEST Journal*
- *American Journal of Respiratory & Critical Care Medicine*
- *Obstetrics & Gynecology*

#### **Notable Presentations**

- American College of Cardiology
- Society of Critical Care Medicine
- American College of Physicians
- Society of Hospital Medicine
- American College of Surgeons

## **Influential Collaboration**

HCA Healthcare residents and fellows have access to talented, highly skilled teams of faculty, industry experts and dedicated researchers to guide them through their journey. Residents and fellows produce evidence that drives future practice by leveraging HCA Healthcare's national clinical data warehouse – the heart of our data ecosystem.

**HCA Healthcare Scholarly Commons** is a platform to collect, share and publish the variety of academic work created by the Graduate Medical Education community. During 2020, readership of those works eclipsed the 25,000 mark. Included on this platform is the **HCA Healthcare Journal of Medicine**, a peer reviewed scientific periodical focused on innovation, enhanced quality and developing new knowledge in clinical care and medical education for the benefit of all patients. In its first year of publication, the journal disseminated 86 articles in six issues as well as a seventh special issue on the COVID-19 pandemic.

# About HCA Healthcare

HCA Healthcare is one of the nation's leading providers of healthcare services and is comprised of 186 hospitals and more than 2,000 sites of care including surgery centers, freestanding ERs, urgent care centers, diagnostic and imaging centers, walk-in clinics and physician clinics in 20 states and the United Kingdom. With its founding in 1968, Nashville-based HCA Healthcare created a new model for hospital care in the United States.
